Importance: High

Just a reminder that we need your SCOUT updates by Thursday morning. We've been getting a ton of questions from the IOAA and Administrator's Office about milestones, and it is really important that you keep me and Liz up to date about the status of assessments, reports, publications, etc. We do not only get questions about IRIS assessments, either. Please make sure that you and/or your staff send us SCOUT updates for everything in the list below by Thursday morning. Please be as realistic as possible with milestones and always let us know when a date changes. Even if nothing has changed for your items, it is very helpful for us to have an email from you confirming that things are still on track.

Thanks for your help with this!
